

Join us on the 2nd Wednesday of every month at 7pm ET. Your journey and search for Masonic light began in the Blue Lodge. After you were raised to the Sublime Degree of a Master Mason, the world of Freemasonry opened wide, providing many additional paths to pursue and explore. The Scottish Rite, NMJ extends the opportunity to journey to further light in Masonry through its twenty-nine degrees from the 4° through the 32°.

To help Scottish Rite, NMJ Brethren continue their quest for self-improvement, the Supreme Council offers you the Pathfinder Program.

Through participating in various activities and exploring the resources of the Scottish Rite, Pathfinder serves as a guide for Scottish Rite Masons to uncover the road that best serves their needs and interests. A multitude of activities called Mile-Markers lead you to discover the experiences, knowledge, and lifelong friendships that help you become the best version of the man you know you can be.

Whether you are a newly initiated Scottish Rite Mason or have been a member for decades, there are many paths forward. Let Pathfinder help you find yours. Visit <https://scottishritenmj.org/pathfinder> to download your field book and to learn more.
